Commissioner for Patents

This letter is with reference to the Board of Patent Appeals and Interferences order (Paper # 20) returning the examiner's answer (Paper # 19). The reason for returning the examiner's answer was no signature or initialing by the conferee. The necessary corrective action has been taken. The two copies of the examiner's answer now include signatures of the conferees and are being returned to the board for further consideration.

Jeffrey A. Smith
Primary Examiner
